## Summary

Hi! My name is Andria, and I am a Graphic Designer based in Newark, Delaware. I graduated with my bachelor's degree in graphic design over this past summer 2023. I enjoy all areas of design; however, I specialize in brand identity, package design, photo manipulation, as well as digital and print advertisements. My skills include designing, logos, business cards, posters and flyers, menus, brochures, and more! I am ready to help your business grow and become a vital part of your team!

### Dear Hiring Manager

I am a passionate designer with the ability to create visually stunning designs that help brands grow. I recently graduated from Wilmington University with my bachelor's in graphic designer. I have several skills and qualities that would make me a great asset to your company including:

- Experience with design software; Adobe Illustrator, Photoshop, InDesign, Lightroom, and Acrobat
- Experience with Google Suite
- I enjoy designing brand identities, and creating mock-ups to showcase the brand
- Exceptionally designs promotional marketing material for social media, email, and prints
- Experienced with designing posters, flyers, brochures, business cards, logos, social media content, and more
- Excellent written and oral communication skills
- A passion to learn and increase my skills
- Fun, passionate, hardworking designer

I love collaborating with clients and colleagues, and I am excited to deliver designs that will be an asset to your company. I am eager to discuss more about my skills and qualifications as well as opportunities available with the company. To schedule an interview please contact me with the information provided. Please feel free to visit my online portfolio at
